#### RE: WATER USE ACTIVITIES AND AUTHORISATION APPLICATION FOR THE PROPOSED KROONVLEI WILDERNESS ESTATE.

The Department has reviewed the application report submitted on your behalf by Carel Haupt of WSM Leshika Consultants with regard water use activities of the proposed Kroonvlei Wilderness Estate. The following aspects relating to the activity were considered:

- The activity is housing / estate development.
- Schedule 1 of the National Water Act, 36 of 1998 provides for permission to use water for reasonable domestic and residential use which is applicable in this regard.
- There are no major rivers in the proposed area of development. The crossing of the minor streams / water courses shall be conducted within conditions and as provided for in Government Gazette Notice No. 398 dated 26 March 2004 or its replacement thereof.

From the considerations above, the Kroonvlei Wilderness Estate is hereby authorized to use water as provided for in schedule 1 of National Water Act and Government Gazette Notice No. 398 dated 26 March 2004 issued under executive authority of the Minister. The Kroonvlei Wilderness Estate developer shall ensure that all conditions in the government notice referred herein and the application report are complied with.

For further enquiries contact Malegodi Mahlatji on details above.
